Foreword

As you turn the pages of your 1956 Prorenta, we hope that the classes, organizations, and activities portrayed will recall many memories at "Dear Ole Quitman High," that may be cherished which otherwise would be forgotten.

In this annual we hope to preserve "laughable" as well as those little "incidental" happenings some of us have had.

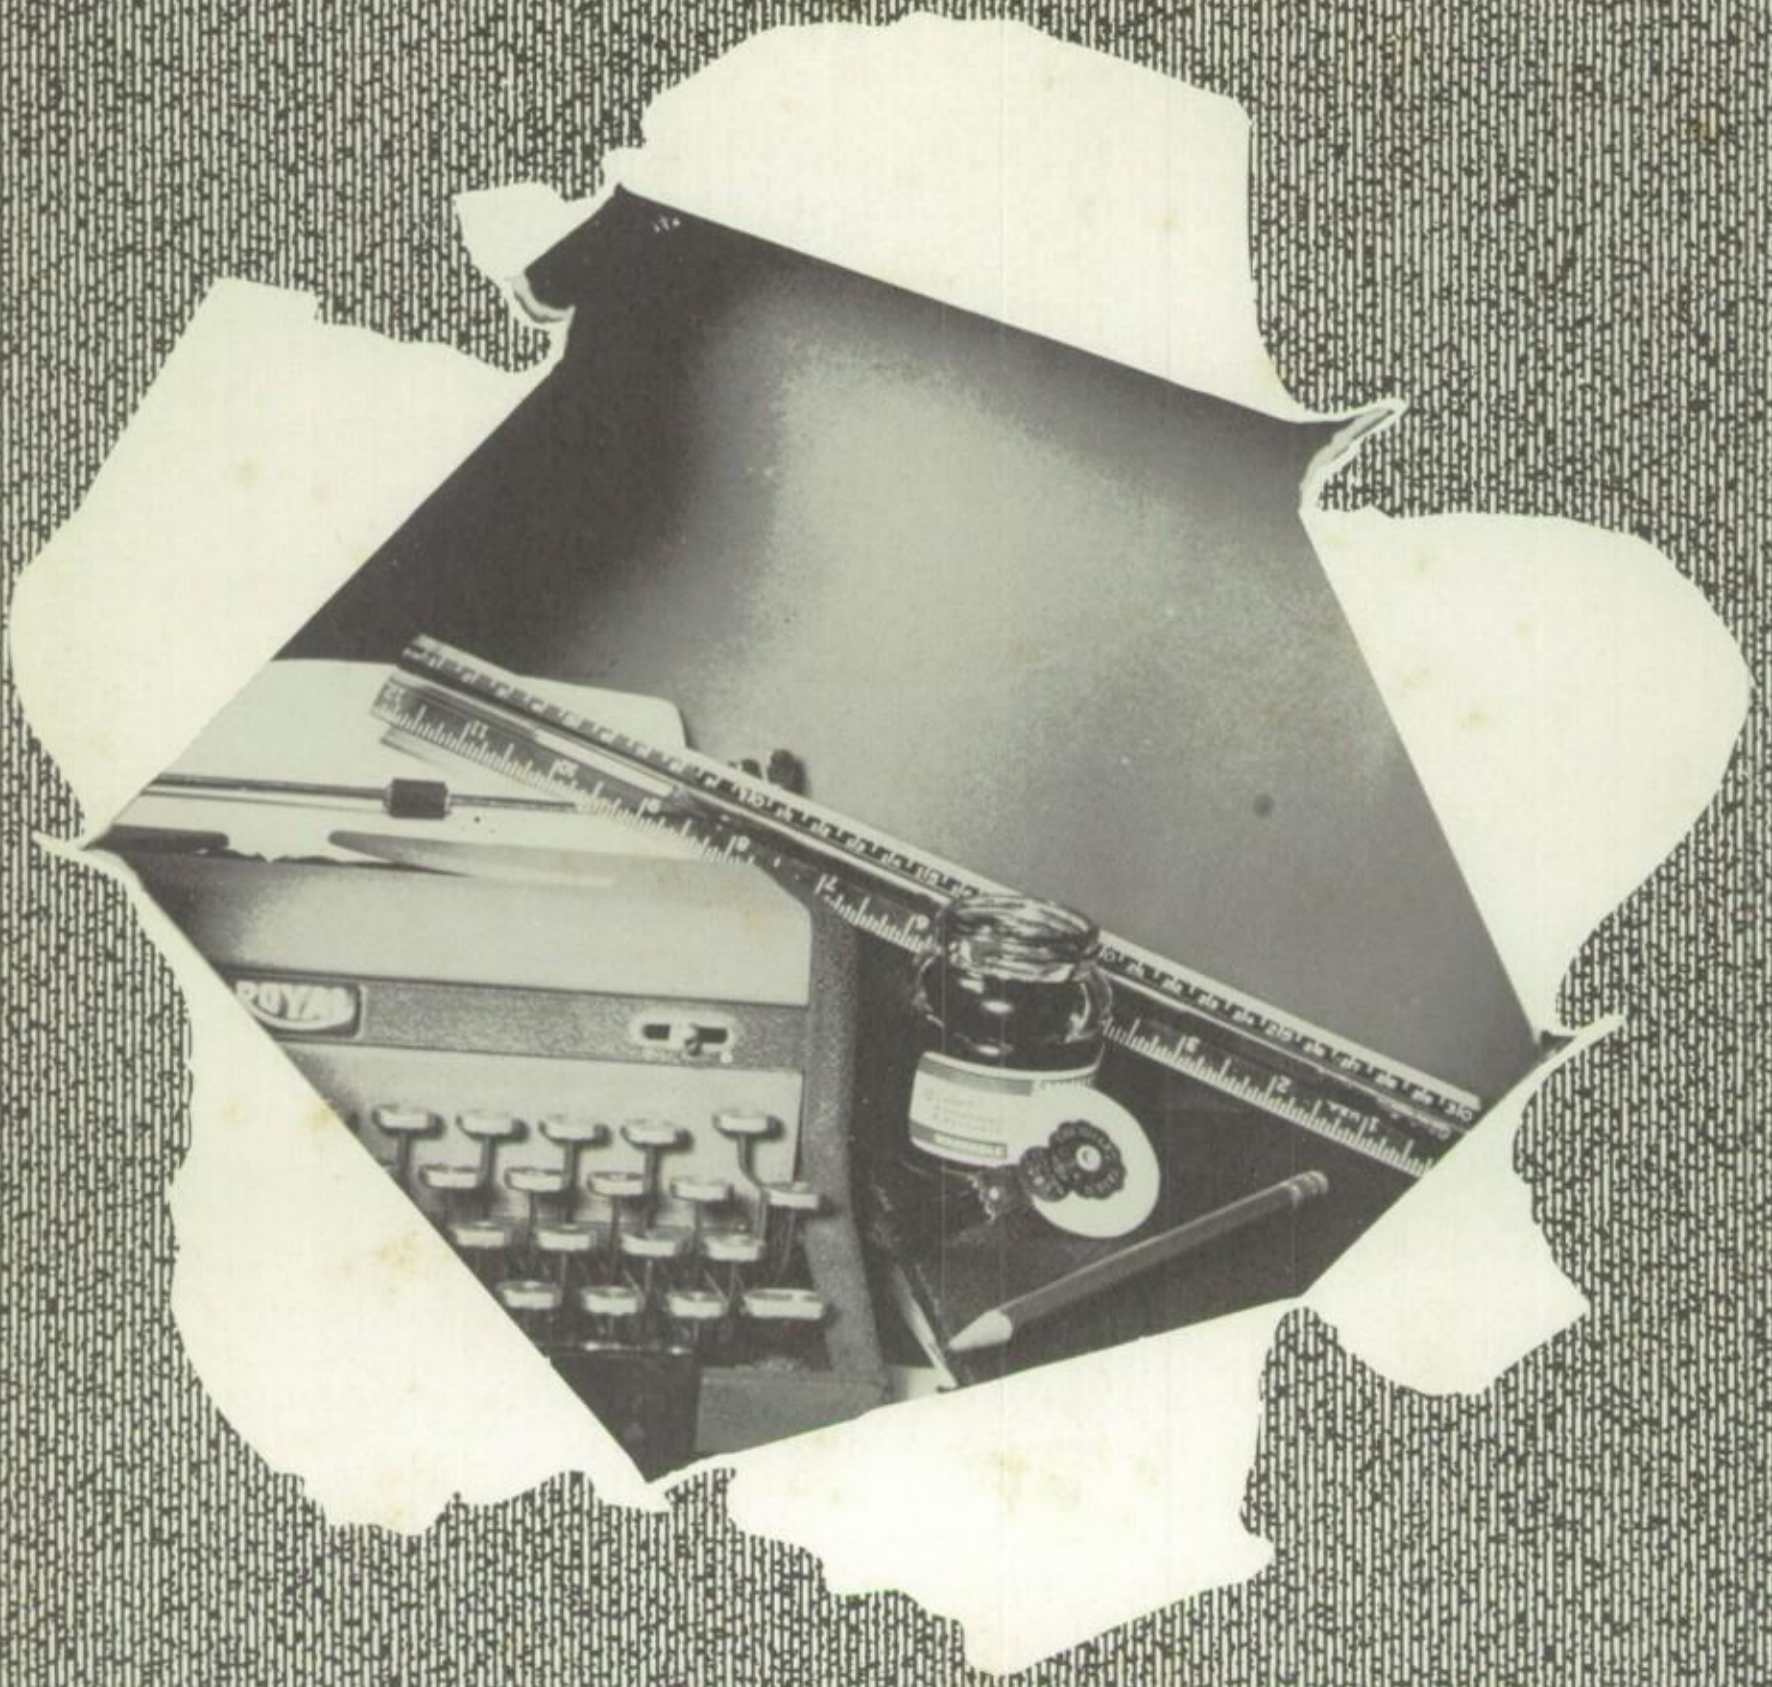

You will probably find some imperfection, but we know you sympathize with our efforts in endeavoring to bring you an annual that you will always treasure.

THE STAFF

Dedication

We, the Senior Class of Q. H. S., do hereby dedicate the 1956 Prorenta to Mr. James Kavanaugh, in appreciation of his continued and never tiring work on the Annual. He has helped our class and entire school in many ways and definitely deserves all honors given him.

Administration

Our Principal Speaks

To the Students of Quitman High School in 1955-56:

In December of 1955 I completed five years as principal of Quitman High School. One half of a decade full of rich experiences and many new friendships. During these years we have enjoyed the privilege of having a new building, winning State Championship in Class "B" Basketball, being approved by the Southern Association and many other things of lesser nature. For all this we should indeed be thankful. But let us not be content. The true greatness of any situation lies within the souls of the students and faculty and the spirit exemplified by our actions. With God as our guide and helper may we ever strive to reach a higher level of educational growth and spirit of development.
